

MILITARY CONSTRUCTION ACT OF 1958
Public Law 85-685 - August 20, 1958, 72 Stat. 636

SEC. 507. As of July 1, 1959, all authorization for military public works to be accomplished by the Secretary of a military department in connection with the establishment or development of military installations and facilities, and all authorizations for appropriations therefor, that are contained in Acts approved before August 4, 1956, and not superseded or otherwise modified by a later authorization are repealed, except --
